

WE URGENTLY NEED YOUR HELP

After a successful Business English evangelism event in January at the campus of the University Polytechnic of Nicaragua (UPOLI) in Managua, the door was opened to future opportunities.

I had received an invitation to bring a group back to UPOLI, but the administration only recently gave me a date for this event. Before I make a commitment to them, I need to have some volunteer teachers make a commitment to the following dates.

Leave the U.S. to Managua	July 15
Teach at UPOLI campus	July 17-21
Return to the U.S.	July 22

Cost: airfare + \$420

Depending on the airline, airfare from DFW starts at \$860 as of today (6/15/06).

We ask that volunteers have several years of some business or professional experience. The curriculum is super easy to teach and very little preparation is required. We provide the teaching materials and will train you in how to facilitate the exercises. The students do most of the work. Read more about the course and course topics at <http://www.psenglish.com>.

Email jody@jodykennedy.com right away if you or someone you know would be at all interested in joining us. Send your telephone number and I will call you.

I need to know right away.

We're in Managua

As we write this update, we are in Managua preparing for work at the children's home. Ben and Julie Agee (LOVEM CARE Ministries) will join us with a team of 9 to work with the children in El Crucero through next week.

Doors Open in Bogotá, Columbia

After we finish in Managua on June 23, we will fly to Bogota for the two week Practically Speaking English evangelism event. Although we will work with a local Baptist church, we will be teaching on a university campus so we will have lots of room for students.

Eastside Baptist Church of Fort Smith, Arkansas is sending nine teachers. Another is coming from Florida and two from the Fort Worth area. The fourteen of us will host more than 600 students. The most exciting thing about this event is that more than two-thirds of our students will be public school and university teachers. We have a wonderful opportunity to reach some very influential people with the gospel of Christ. Pray for us during June 24 - July 8.

Children's Home Project News

We have received the engineering drawings for the children's home, so the next step is to finalize our agreement with a local construction "boss" and start digging. We should be laying the foundation within a matter of weeks.

2006 Celebration Banquet Results

Our first Celebration Banquet was a great success. Many attendees made commitments to sponsoring children at the children's home and their contributions are already having an impact on the kids. The result is that fifteen of the thirty-nine children now have sponsors.

Thanks to everyone who helped us with that event and thanks to all of you who attended. We plan to have another banquet next year, so watch for dates and details to come.

If you are curious about sponsoring a child, visit our web site at <http://www.jodykennedy.com>.

2006 Calendar Available

Our 2006 calendar is already filled with English language evangelism events, Business English evangelism events, prison ministry and the Children's Home project. We need lots of volunteers to fill all these projects with laborers. We've just updated our website (www.jodykennedy.com) with the 2006-2007 schedule. We are praying for volunteers and finances to accomplish these vital projects.
