

First Quarter of 2008 Brings Opportunity and Challenge

We began the new year with ministry in Nicaragua and Belarus. In the familiar surroundings of Managua, Nicaragua and Minsk, Belarus we were able to reach almost 1,400 young people and adults as well as more than 200 children and many of their parents. Of the young people and adults, more than 400 said "yes" to the message of hope in Christ.

These ministries are leading to further opportunities in both of these capital cities for this summer and into future years. There were also several challenges that were overcome through the strength and power of the one who sent us out. In Minsk, the authorities are becoming more strict about activities that take place in churches. There is some pressure on our local partners there as well as scrutiny of our methods. Nonetheless, we were able to continue our work and there is nothing to prevent us from returning there this summer. Another challenge in Minsk was sickness that effected several members of our team. However, through prayer and the perseverance of those team members that were sick, the work did not suffer.

Managua, Nicaragua Conversational English - January 12-26, 2008

It was a pleasure to work once again with an established partner church, Libertad Baptist Church in Managua. There we conducted the Practically Speaking Conversational English course and our Practically Speaking English for Children program. More than 200 children attended each morning of the first week to learn basic English and to hear the gospel message. Many parents also attended during this time and some of them through accepted Christ. In the adult English classes, more than 400 students were enrolled. Our friend, Pastor Dennis Rios, is seeing many of these students return to the church and enter into discipleship leading to baptism. From our 2007 classes, he reports that more than 40 have either joined his congregation through baptism or are actively attending.

We were very happy to help one of the "daughter" churches of Libertad Baptist Church. Thanks to the generosity of the people of Hulen Street Baptist Church in Fort Worth, we were able to purchase a complete sound system, the first sound system for Third Libertad Baptist Church. This church plant began one year ago with two members. In one year, they have had eleven baptisms bringing their membership to thirteen. With the first use of the sound system, people from the surrounding community came to find out where all the sound was coming from. The pastor, Benjamin Quant told us that people were standing outside the door and in the street, listening to the service. With the generous donation from Hulen Street Baptist we were also able to provide a brand new computer for Libertad Baptist Church to use with their multimedia team during their services.

Minsk, Belarus Conversational and Business English - January 26 - February 3, 2008

Our team consisted of groups from Greenville, Mississippi, Buford, Georgia, Fort Worth, Texas and Auxvasse, Missouri. More than 1,000 young people and adults enrolled in the one week English classes. Some attended the conversational classes while others participated in the business English classes. Almost 300 of these said "yes" to Christ.

The weather was cold and damp and may have contributed to the illnesses that some of our team suffered. Thanks to our friend, Joe Wilson, a kind Belarusian doctor was able to care for the sick ones and get them back on their feet. Amazingly, doctors routinely make house calls in Minsk.

Holzhausen, Germany IMB Support (Childcare and VBS) - January 26 - February 2, 2008

In support of our IMB missionaries on the field, we provided care and teaching of their children while the adults attended their annual conference for training, spiritual enrichment, and fellowship after long separation from other Americans. The team was from Hulen Street Baptist Church in Fort Worth, Texas. This ministry is recommended for anyone who loves children. Families are welcome to serve together in this ministry. We hope you will keep this in mind for January, 2009.

Return to Prison Ministry with Bill Glass Champions for Life

After our busy international schedule kept us out of the prisons during 2007, we have committed to returning to the prisons in partnership with Bill Glass Champions for Life during 2008. Jody just completed the Weekend of Champions event at the Wynne Unit in Huntsville, Texas. As one of the volunteer coordinators, Jody led a team into the prison where the gospel was freely shared with hundreds of inmates.

The senior adults (Retta Rockers) of Retta Baptist Church in Burleson, Texas continue to play a direct role in reaching inmates in prisons across the country. Last month they packaged 1,400 teammate packets which contain the materials used by the Bill Glass Champions for Life volunteers to share the gospel with men, women, and youth inmates in jails and prisons around the country. By our best recollection, this is the fifth year that the Retta Rockers have committed to packaging the materials. On average, they will package 4,000 or more each year.

Tornado Relief in Central Arkansas

During February, dozens of tornadoes ravaged Arkansas, Tennessee, and Mississippi. March 16 to 21 will take the Hulen Street Baptist Church students to Atkins, Arkansas to do what we can to help this small town return to normal. In cooperation with First Baptist Church of Atkins, Jody and Hulen Street Baptist Church Student Pastor, Scott Parrish will help the student missionaries learn the realities of natural disaster and how Christians need to reach out to help those in need.

Family News

Ministry Needs

- Prayer is at the top of our list of needs. Knowing that you are praying for us and our work is a tremendous encouragement. Please pray for continued health and stamina, God's direction as we finalize our 2008 schedule and wisdom as we explore new countries in which to serve.
 - Finances are always on our list of needs as God continues to provide for us month to month through people like you who believe in what we do and trust us to be good stewards of God's resources. Even small donations make a difference. We want to continue to expand our reach to the world as well as support the children's home and begin to offer financial help to some of our partner churches in other countries.

 - Thank you Hulen Street Baptist Church for the generous offering that allowed us to provide a new notebook computer to Libertad Baptist Church in Managua and the new and complete sound system to Third Libertad Baptist Church in Managua.
