Git-R-Done!!!

May 22, 2009

Like Never Before We Need to Git-R-Done More Work Ahead of Us (All of Us) Burleson, Texas

"Git-R-Done!!!" This popular catch phrase has become part of the American lexicon thanks to the redneck styled comedian known as Larry the Cable Guy. It is a simple and direct way to say, "Let's make the task at hand our priority", "Let's get to work", "Let's finish the job".

Think about it. You've heard the many life-changing testimonies of those who have gone before. You've wanted to be part of an effective mission. Yet, you've put it off for any number of reasons. You're not getting any younger. Time is getting shorter.

We have more invitations for our Practically Speaking English evangelism events than we can accept. Our limitation is simply the number of volunteers that are willing to go with us. Pastors tell us again and again, "Please come and help us!" It breaks our heart to say "No" or "Maybe next year."

Please, won't you prayerfully consider joining us in one of the next opportunities? You can join us in one of two practical ways (in addition to praying for us). One way is to commit to going yourself. Second is help us financially to sponsor someone else.

We Urgently Need You!

Please Prayerfully Consider These Opportunities!

Now is the time to take action for the Kingdom and stretch yourself out of your comfort zone. **Take a vacation with a purpose** that will change your life and have eternal impact on the lives of others.

We need commitments right away for each of the following missions. There is a place for you as a teacher, assistant teacher, music leader, musician, children's worker or helper.
