Prayer Needed for Our Nicaraguan Family

October 17, 2016

After 8 days in the hospital, baby Belén is at home with Oswaldo and Heydi. I spoke with Oswaldo this morning and they will take the baby to the doctor several times this week to be sure she continues to strengthen.

We are grateful for your prayers and for the donations for the hospital expenses. We received sufficient donations to cover all the medical expenses so far, and to cover any that might come up in the next days.

Please take a moment to pray for our Nicaraguan family. Almost all of our dearest ones here

in Nicaragua are suddenly having serious medical issues.

Many of you know these wonderful friends and we know you will want to lift up their needs to our Lord.
