### Washington DC - Prayer March on Saturday

Franklin Graham will lead a prayer march in our nation's capital on Saturday, September 26. Starting from the Lincoln Memorial and ending at the Capital Building, they will proceed along the mall beginning at noon (EDST). As the march follows the route, they will stop several times to pray for God to heal our land and for God to move through His people to sow the love of Christ into our families, friends, neighbors and government.

The march will last about 2 hours and can be watched live at [Prayer March 2020](#) from noon to 2 pm (EDST, 11am-1pm CDST).

Even though we may not be present in Washington, we can still join together in praying during this important time of prayer for our nation.

### Prayer for Dwight Martin

Dwight is doing better day by day and is comfortably at home where he has begun his rehabilitation. He truly delights in the Lord and cannot stop thanking God and praising Him for His love and provision.

Please continue to pray for Dwight and Cheryl as family and friends help him as he recovers. The Lord has done great things and all our confidence is in Him as the healer and caring Father.

### As Long as You're Praying

**Pray for Karolina**, the wife of one of our church plant pastors. Pastor Cesar asks that we pray for his wife as she has been hospitalized for a chronic illness from which she has suffered for many years. Pray not only for her healing, but for her protection from the virus that causes COVID-19. Conditions in Nicaragua's hospitals are not at all what we are accustomed to here in the U.S. In the photo, Karolina is seated next to Trisha at a celebration dinner in Managua.

**Also lift up the staff and volunteers of Samaritan's Purse** as they help the victims of recent storms at sites across the south and in Iowa and fire victims in California. There are lots of volunteer opportunities in these locations. Read more [here](#).

We ask for special prayer for the leadership at these sites.

These men and women have deployed to lead staff and volunteers in serving these devastated communities. They are separated from their families for extended periods, working very long days in difficult conditions. Read more [here](#).

Please pray for our fellow Billy Graham Evangelistic Association Rapid Response Team chaplains as they are deployed to these disaster sites and to areas of civil unrest. Many victims, first responders and Samaritan's Purse volunteers receive in-person spiritual and emotional care. Many new believers are the result of the Lord using this ministry.

**Jody's recovery** from shoulder surgery continues to go well with the help of the great staff at Therapy Excellence in Burleson. We're counting down the final four weeks of therapy. We are anxious to visit Nicaragua, return to chaplain deployments, to Charlotte for Operation Christmas Child processing season, and to prison ministry with Behind the Walls.

## Resource for News of Nicaragua

Many of you have asked about the situation in Nicaragua and we have been able to answer many questions because of our contacts in the country. Some of you have expressed interest in reading news of Nicaragua yourselves. You are not surprised to know that the Nicaraguan government controls many of the news outlets. Nonetheless, there are some independent news organizations still operating. One resource we have found is [Today Nicaragua](#) (in English). While we must be careful about trusting what we read on the internet (especially news sources), *Today Nicaragua* seems to be as useful as any we have found. The *Today Nicaragua* site also has links to some of the Spanish language outlets that are not government controlled.

See for yourself by visiting [Today Nicaragua](#).

## Our Nicaraguan Partners in Crisis

We take every donation gratefully and seriously. We do not take a salary from the ministry so that every dollar goes into the work. During this time of quarantines and world-wide disturbances, we are supporting our staff, pastors and churches in Nicaragua. These are undergoing incredible hardship and need due to government oppression from the socialist dictatorship and from COVID-19 disaster in their country.

If you want to help us meet the needs of our ministry or support our Nicaraguan partners' families and our partner churches, donations in any amount will be used wisely to meet the these needs

To donate, use the button below to view our "Give" page where you may designate your gift as you wish.

Or, mail your check to Jody Kennedy International, PO Box 6802, Fort Worth, TX 76115.
